

About Us

The Venturing Crew is a great opportunity for high school students in the Dakota County area thinking about a public safety career in firefighter or the emergency medical services (EMS), to get some hands-on experience.

You would put on actual firefighter turnout gear (coat, boots, helmet), work hands-on and ride the fire trucks, participate in scenarios and demonstrations, past and present operations in the fire service, learn leadership and personal responsibility. Get training in the Emergency Medical Services (EMS).

Under the supervision of Venturing Crew Advisors, the Venturing Crew Members receive training in; Emergency Preparedness, First Aid, Fire Safety, Radio Communications, Safety, Search and Rescue, and Traffic Safety.

Who Would Be Interested

The Venturing Crew is for young men and women, who are 14 years of age (OR 13 years of age and have completed the eighth grade), and under 21 years of age, who are interested in the areas of Public Safety-Firefighter and the Emergency Medical Services (EMS).

Annual Events

Burnsville Fire Muster
Dakota City Heritage Village
Dakota County Fair
Dakota County Gun Club
Governors Fire Prevention Day
National Night Out
WWII Re-enactment Weekend

Activities

Educational Demonstrations at public events with smoke detectors and carbon monoxide detectors, a miniature kids smoke house, parades, and water ball contests

Training Is Held Twice A Month And Include – Scenarios and demonstrations in: Self contained breathing apparatus (SCBA), drafting water/hydrant/pump operations, hose lays, ladder raising, first aid, communications.

The goal of the scenarios and demonstrations is to give Venturing Crew Members additional learning opportunities. These exercises are designed to teach members the importance of problem solving, safety, teamwork and prepare them for real life experiences.

Mission

Our goal is that as you become an adult, you would be active in your community and possibly join your local fire department or EMS department.

Other Activities

Horseback Riding, Snorkeling/Scuba, High Adventure, Shooting Sports, Archery, Ski/Snowboarding, Tubing, Hiking, Camping.
